Young Leaders

Educate-Innovate-Elevate

Why This Program Matters

The Young Leaders Program, inspired by Dr. Detina Zalli's personal experiences as a former refugee who faced significant challenges upon arriving in the EU as a child, is a transformative initiative designed to empower young individuals. Dr. Zalli, driven by her journey and the obstacles she overcame, is dedicated to providing the support and guidance she lacked. This program aims to nurture the potential of young leaders through comprehensive mentorship and leadership training.

Our Mission

The Young Leaders Program is designed to identify and support emerging leaders who are actively making a difference in their communities. Our mission is to empower these young professionals by providing them with the tools, resources, and networks they need to enhance their initiatives and maximize their impact. The program is open to individuals from diverse backgrounds who demonstrate a commitment to creating positive change and have a proven track record of community involvement.
